## **Ladies Turn Global Foundation**

**Ladies Turn Global is a private 501c3 founded in 2017. We are providing resources and support to women around the world facing gender inequalities.**

**It is the core belief of Ladies Turn Global that women can be empowered through increased access to education, can have adequate resources for healthy lives, and can live in a secure environment.**

**Ladies Turn Global currently collaborates with other nonprofit and for-profit organizations in different business fields including healthcare, hospitality, economics, advertising & marketing, training & development, and entrepreneurship, to name a few.**

**We offer professional mentorship programs and coaching sessions to women seeking new methods for prosperity through innovation, leadership, and digital transformation. Our services are integrated with anti-human trafficking awareness, mental health initiatives, and youth development trainings, in order to allow each woman and children the greatest opportunity for success.**
